# How to change Women's Rules

## FEDERATION of INTERNATIONAL LACROSSE (FIL) POLICIES Extract

### Rule Changes

Unless submitted by a standing committee (Rules, Officiating or Competition), requests for changes to women's rules may only be submitted by full member nations that field at least one women's team in world championship play and must be accompanied by the endorsement of at least two additional full member nations (total of 3) that field at least one women's team in world championship play in order to be considered by the General Assembly (GA). Suggested rule changes must be submitted to the Women's Rules Committee at least 180 days prior to a GA.

Proposed Rule Change Schedule (in a GA meeting year)

- 180 days before GA meeting – deadline for open submission of rule changes to committee
- 90 days before GA meeting – deadline for committee to submit proposals to the Board
- 60 days before GA meeting – deadline to submit proposals to the GA (all Members)
- GA meeting – GA considers proposals

No alteration to the Playing Rules shall be made to apply to a Women's world championship within a period of one (1) year prior to that world championship except with the unanimous agreement of relevant sector votes.

It is noted that this is the initial position at the set up of FIL, taking the current position from the IFWLA and will be subject to further consideration, as and when time permits, by the FIL Board and relevant Committees.

### Sector Voting

In instances of sector voting only those members who have an acceptable (to the GA) program within that sector will be permitted to vote. In the event of a tie the Chair will have a casting vote.

In general it is expected that for a program to be acceptable there must be an established structure (Either Club, University, and College or School teams playing in a competitive format).

On all matters related to the Constitution, the Bylaws, and the **Rules** the majority must be at least 2/3 of those present at a meeting having a quorum, who are eligible to and cast a vote, recording a vote in favor.
